Honors Review for Digital SAT/ACT Prep

- ❑ The most advanced tech for the new digital SAT test, up-to-date SAT tutorial materials and system
- ❑ Highly qualified and experienced SAT/ACT teachers
- ❑ Personal service that you can't find with other SAT /ACT tutoring companies.

Digital SAT / ACT Prep courses

Honors Review Digital SAT Prep. Course use our **own New Digital SAT Practice System and materials** which have been built up and developed **over 30 years** of continued research into the ways and means of the SAT. Honors Review materials are clear, complete, cohesive, and effective tutorials. Our materials were validated by the students who have achieved results that exceeded their highest expectations.

All SAT/ACT classes' instructors are graduates of top universities in America with years of teaching experience. All students in the SAT program will be placed with one-on-one care for careful and precise college planning.

Power Digital SAT/ACT Prep.: This would be the most important test you will ever take outside of your school. A high score opens the door to the college of your choice, while a low score limits your opportunities. Although there is no easy way to beat the test writers, the good news is that **you CAN significantly improve your score with our Honors Review SAT Program.**

Digital SAT / ACT Practice Lab: The phrase "Practice makes perfect" holds a great amount of truth for the SAT test. We offer full-length tests and explanation session. Learning to identify and understand your errors is as important as obtaining good study habits, and this report card will help you to do so. You will be able to see clearly what you need to focus on. **We now also offer ACT test review sessions, so please ask us for more information.**

Bergen BCA/BT/EA Prep Courses:

We fully dedicate to teach and help our BCA Prep students during summer and fall for the Entrance Exams.

100% of all our BCA Prep students passed the BCA Entrance exam and have been invited for the interview process this year!!!

Individual or Small Group Tutoring Program

You decide how many times and what classes you want to take. We will cater to your needs and your schedule demands.

❑ Master Reading and Vocabulary (4th – 8th)

Students will read fiction, non-fiction, poetry and/or biographic passages to practice their reading comprehension skills and to build analytical thinking skills. In addition, students will learn enriching vocabulary so that they will be more effective in expressing their thoughts orally and in writing.

❑ Power Writing (4th – 10th)

This is a **one-to-one writing program** to satisfy each student's unique needs. The instructors will help the students with paragraph improvements, grammar, and Idea development. It will enhance your child's writing skills with a variety of topics and essay styles. ***This program has been selected by the NJ Department Of Education as an SES program.***

(30 min. 1st draft + 30 min. 1:1 Review & Discuss New Topic with Instructor + 15-20 min. Final draft)

❑ Honors Math (4th – 10th)

The key to this program that it is self-paced. With our individualized material and skilled instructors, students progress through the class according to their ability, not their grade level. After a mandatory diagnostic test and careful assessment, we will set clear goals and minimize broad approaches to establish effective lesson plans which will lead to high performance in school.
(1.5 hrs, 3-4 Students per class)

2025 Summer Class Schedule*

Group Workshop Program

The following courses are updated to align with the new **Common Core State Standards (CCSS)**. The programs will help students to prepare for **NJSLA (NJ Start Strong)**.

- ❑ **Reading and Writing Workshop (4th – 8th):** Students will read short story literature to practice their reading comprehension skills and build analytical thinking skills. In addition, students will learn enriching vocabulary so that they will be more effective in expressing their thoughts in writing.
- ❑ **PSAT (HS) English (9th –10th):** The focus is on non-fiction reading comprehension, grammar and essay writing. The students will also learn ten to thirty vocabulary words every day. These words have been taken from recent SAT tests. This class will prepare students for the SAT as well as enable them to succeed in high school English classes.
- ❑ **High School Math & Science Preview Workshop**
Our program correlates with high schools' curriculums. We provide Math and Science preview classes for our high school students. Biology, Chemistry, Pre-Calculus, AP Calculus
- ❑ **Bergen Academy & Tech Prep** : We will prepare the top notch 8th grade students for BCA/BT, EA. This unique program is designed to emphasize the skills and literary elements that are required to achieve success on the BA and High School Entrance test.

We are very proud to announce that 100%, all of our BCA Prep students passed the BCA Entrance exam and have been invited for the interview process this year!!!
